Davies-Bard Nuptials.

Yesterday morning at 11.30 o'clock took place a very pretty June wedding, when Dr. W. Rowland Davies, of South Main avenue, was united in marriage to Miss Helen C. Bard, the accomplished daughter of Mr. and Mrs. W. Bard, of Factoryville, at the home of the bride's parents.

The bridal party formed in an upper rooms, and to the sweet strains of the wedding march from "Lohengrin," as played by Miss Mae Stata Peck, they marched to the parlor, where under a canopy of ferns, palms and roses, they were met by Rev. James N. Lee, of the Methodist Episcopal church, who pronounced the solemn words that united them. After the ceremony, Miss Peck rendered a selection from "Tannhauser. The bride was attired in a beautiful gown of white silk and luce, and carried bride roses of white.

A bountiful wedding breakfast was served, after which Dr. and Mrs. Davies left via the Lackawanna for an extended trip to Philadelphia, Washington and the South. Dr. Davies is one of the most popular West Scranton physicians and is a graduate of the University of Pennsylvania. TO YOUNG WOMEN.

Letter from Miss Georgie Bryan, Secretary of the Social Economic Woman's Club of Memphis, Tenn.

How many beautiful young girls develop into worn, listless and hopeless women simply because sufficient attention has not been paid to their physical development. No woman is exempt from physical weakness and periodic pain, and young girls just budding into womanhood should be carefully guided physically as well as morally.

If you know of any young lady who is sick and needs motherly advice ask her to write to Mrs. Pinkham at Lynn, Mass., who will give her advice free from a source of knowledge which is unequalled in the country. Do not hesitate about stating details which one may not like to talk about, and which are essential for a full understanding of the case.

MISS GEORGIE BRYAN, 193 Vance St., Memphis, Tenn. "I can heartily recommend Lydia E. Pinkham's Vegetable Compound to all young girls, for I have used it myself with the best of

"Last spring I was very much run down and was advised to try it, which I did; and I was most pleased with its results. The monthly aches and pains so common to women, especially distressing in my case, were all cured by Lydia E. Pinkham's Vegetable Compound, and I now always keep it on hand to help me over sick days."

How Mrs. Pinkham Helped Fannie Kumpe.

First Letter.

"DEAR MRS. PINKHAM: - I write for advice in regard to my case. Menstruation has been coming twice in each month and I have such pains in my back and limbs and womb, and such hot flushes that it seems as though I would burn up. I have had doctors treat me but they have done me no good. Can you help me?"—MISS FANNIE KUMPS, 1922 Chester St., Little Rock, Ark. (Sept. 10, 1900.)

"DEAR MRS. PINKHAM: - I feel it is my duty to write and tell you of the benefit I have derived from your advice and the use of Lydia E. Pinkham's Vegetable Compound. The pains in my back and womb have all left me and my menstrual trouble is corrected. I am very thankful for the good advice you gave me, and I shall recommend your medicine to all who suffer from female weakness."—Miss Fannis Kumpe, 1922 Chester St., Little Rock, Ark. (Dec. 16, 1900.)

O, my sisters, I do pray you to profit by the experiences of these women; just as surely as they were cured of troubles, just so surely will Lydia E. Plnkham's Vegetable Compound cure every woman in the land who suffers from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, nervous prostration, and all forms of woman's special ills. forms of woman's special ills.

REWARD. — We have deposited with the National City Bank of Lynn, \$5000, which will be paid to any person who can find that the above testimonial letter is not genuine, or was published before obtaining the writer's special permission.
